

**Breaking new ground.
Developing intelligent
solutions.**

Together, we work on the
measurement and testing
technology of the future.

Gantner Instruments is a leader in industrial measurement technology with locations in Austria, Germany, France, Sweden, the USA, Singapore, Hong Kong, China, and India.

To support our international team in Schruns, Austria, we are looking for a

Warehouse employee (all-rounder, career changer) (m/f/d)

At Gantner Instruments, we pride ourselves on designing cutting-edge products that acquire data at high speed and the highest quality from a wide range of sensors. Our products are vital in helping industries worldwide make informed decisions based on real-time data.

We are looking for individuals who share our passion for technology and possess a reliable and high-quality work style. If you're excited about working with innovative products and learning about new technologies, Gantner Instruments is the right company.

If you're someone who prides themselves on their reliability and high-quality work style and enjoys working with the latest technologies, then we'd love to have you on board. At Gantner Instruments, you'll be part of a team dedicated to pushing the boundaries of industrial measurement technology.

Your qualifications:

- Accurate and efficient way of working
- Team player with independence and a sense of responsibility
- Enjoyment and pleasure in new tasks
- Knowledge of German, both written and spoken, is an advantage

What to expect:

- Thorough training by your experienced teammates
- Picking, packing, and shipping production orders
- Cooperation with a supportive and motivated team
- Pleasant and safe working environment
- Support in the production of measuring and testing equipment
- Fair, performance-based pay
- Possibility of a part-time or full-time position

Your application

If you possess these qualifications and are excited about the prospect of working with a company at the forefront of industrial measurement technology, we encourage you to apply now
