

**Breaking new ground.
Developing intelligent
solutions**

Together we are working
on the measurement and
testing technology of the
future.

Gantner Instruments is a leader in industrial measurement technology, and its locations are in Austria, Germany, France, Sweden, the USA, Singapore, Hong Kong, China, and India.

We are now looking to strengthen our team in
Lauf an der Pegnitz, Bavaria, Germany

Inside Sales Representative - Essential Sales Support in Sophisticated Measurement Technology (m/w/x)

At Gantner Instruments, we're focused on the advanced handling of data - quickly capturing, securely storing, and smartly analyzing information from various sources, including complex sensor systems. Our strength lies in turning this data into real-time, actionable insights, setting us apart in the fast-paced world of technology.

We are searching for a team member who is as enthusiastic about innovative solutions as they are grounded in measurement technology. The right fit for us is someone who thrives in a collaborative environment, skilled at making sense of complex data, and eager to contribute their expertise to our collective success. If you're motivated by the prospect of making data meaningful and working with a team that values your input, we'd like to meet you.

Your qualifications:

- Technical training/studies or experience in measurement technology or a comparable environment
- Ideally, initial experience in internal sales
- Excellent oral and written communication skills in German/English
- Proactive, independent way of working
- Supporting the sales team in achieving targets
- Familiarity with CRM systems and other relevant sales and communication tools

What awaits you:

- Extensive onboarding at our location in Lauf an der Pegnitz
- Independent work
- A professional sales team
- Fair, performance-oriented pay
- Team-oriented corporate culture
- Flat hierarchies and short decision-making processes
- Interesting and varied customer structure
- Dynamic working environment with growth opportunities
- Development opportunities within the Gantner Group

Your application

Are you looking for a dynamic, fulfilling role within an exceptional team?

We're eager to meet you. Please submit your complete application to [gantner-instruments.com/company/jobs/](https://www.gantner-instruments.com/company/jobs/).
